Copy of the letter No. 4963/52-53 dated 3-9-1952 from the Secretary, Public Service Commission, to the Commissioner, Corporation of Bangalore

Subject - REGULARISING THE APPOINTMENTS OF 17 LOCAL CANDIDATES
WORKING AS LORRY DRIVERS

With reference to your letter No B 12-5708/51 dated 11th January 1952 on the above subject, I am directed to state that the Commission observes that the vacancies of Lorry Drivers in which the seventeen local candidates have been appointed years back and are being continued, should according to the existing rules of recruitment, have been advertised and filled up through this office and that your action in having appointed these local candidates as Lorry Drivers without advertising them is therefore irregular and as such their appointments cannot be treated as having been made as per rules of recruitment

However, in view of the fact that they have been working from a long time and that their work and conduct are said to be satisfactory, the Commission consider that their appointments may be regularised, exemption from operation of the rules regarding age limit being obtained in respect of such of the candidates as were over 28 years of age on the date of their appointment

I am, therefore, to request that a recommendation may be sent up to Government through the Commission in this behalf
